Replacement of Plasma Protein and Related Products (PPRP) Customer Table of Information
with E-Formulary

Customer Letter # 2024-29

2024-09-03

Dear Colleagues:

The Plasma Protein and Related Products (PPRP) Customer Table of Information is being removed from the www.blood.ca website, and it is being replaced with an electronic formulary list or e-formulary. The e-formulary has been launched to provide customers with an electronic, searchable list of PPRP available from Canadian Blood Services.

The e-formulary can be found at <https://formulary.blood.ca>. Additionally, links to the e-formulary can be found on the Canadian Blood Services website in two separate places:

1. The [Plasma Protein and Related Products](#) page under Hospital Services
2. The [National Formulary](#) page

Please share a copy of this customer letter with healthcare professionals at your hospital who might be interested in this information.

This customer letter can also be viewed at www.blood.ca in the “Hospital Services” section. If you have questions about this letter, or if you require it in an accessible format, please contact your local hospital liaison specialist.

Sincerely,

Sylvain Grenier, Director, Plasma Protein and Related Products Formulary Program
